

PMI Northeast Atlanta is proud to serve as the Association Management company for over 8,000 homes from our locally owned office in Sugar Hill, GA. Our goal is to provide a more personal level of service to our Association clients and to partner with our boards to improve property values and make their communities great places to call home.

**Did you know that PMI Northeast Atlanta is a full-service Real Estate Management and Brokerage company?** We have a fully licensed team ready to help you or anyone you know with:

- Community Management services
- Commercial real estate acquisition and management
- Residential Rental Property acquisition and management
- Real Estate Brokerage services for buying or selling any type of real estate

PMI has a special benefit in your community and would like to help Homeowners save thousands of dollars in your next Real Estate Transaction. Contact our Realty Division at [Realty@pmi-neatl.com](mailto:Realty@pmi-neatl.com) more information.

Know someone in need of our services? Please have them call us at 470-238-9150 or email us at [support@pmi-neatl.com](mailto:support@pmi-neatl.com).

**Planning a move, tired of high natural gas prices, or looking to update the technology services at your house?**

We are happy to provide all our customers a **FREE concierge Utility Service** that can assist homeowners with setting up key services for their new home such as:

- Utilities - Water/Gas/Electric
- Television
- Phone/Wireless
- Internet
- Home Security
- Home Automation

This service is at no cost to you – all you do to get started is go to this site and enter your information in the form: [Utility Concierge](#)

Just click to indicate what services you are interested in getting help with, enter the property address, and our concierge will be in touch to help you get quotes and select services that you want.

\*\*\*\*\*

FYI – this service is available for free to anyone so please feel free to share it with any friends or family that may benefit from this. You can also use it to find better alternatives to your current providers for these services.
